## **Cable/Internet/Phone Service**

**Verizon** (800) 870-9999

This is the main telephone service provider in the state and services all areas with landline phone coverage. They also offer DSL internet access and cable TV. Contact Verizon for more information.

**Comcast** (800) 266-2278

This is the main cable/digital cable operator in the Boston area. Also offers digital phone and broadband internet access. Offer multiple deals and service packages. Contact Comcast for details.

**RCN** (800) 746-4726

Like Comcast, RCN offers cable/digital cable, digital phone service, and broadband internet in multiple deals and service packages. Does not have as widespread connection as Comcast, but offers competitive prices and will wire your apartment for access.
