

Report on Giving

2019-2020

Tufts
UNIVERSITY

School of
Dental Medicine

“A major factor in my decision to attend Tufts University School of Dental Medicine is its reputation for excelling in both clinical dentistry and experimental research. I hope to keep pushing boundaries and improving our profession. Activities like advocacy and research helped me to see the big picture.

— Devon Ptak, D20, DG22, postgraduate endodontics

Brighter World

The Campaign for Tufts

Generosity. Community. Family.

These words are used often in the Tufts dental school community, and we live by them, in spirit and practice. This year, as we navigate a global pandemic, these values anchor us.

COVID-19 has called on us to reimagine nearly every aspect of the dental school, from reorganizing our large clinical operation and prioritizing emergency care for the most vulnerable to helping our students adapt to major changes in their learning, training, and personal lives—while keeping their professional dreams in sight.

In addition, brutal deaths in our nation during the pandemic reminded us that structural and systemic racism, discrimination, and inequities continue to exist in this country. Under the leadership of President Anthony P. Monaco, Tufts University has taken action—and TUSDM has made changes to our curriculum and everyday school life—to ensure that Tufts is an anti-racist community.

Thanks to the tireless efforts of faculty, staff, students, and alumni—and the generosity of alumni and friends like you—we’ve met the challenges of this historic year with compassion, creativity, and grit.

And through it all, the Tufts dental family has shown extraordinary care for patients, one another, and this institution. Each gift in this report is a unique expression of that care. Please join me in celebrating the generosity that fills these pages and the outstanding teaching, learning, and patient care it makes possible.

With gratitude,

Nadeem Karimbux, DMD, MMSc

Dean and Professor of Periodontology

A scholarship trains dental professionals for Northern New England

When Ashley Mullaney was a shy preteen, a set of braces—and the resulting smile—inspired her to become a dentist. What she didn’t know then was that oral health care was nearly impossible to attain for many kids in her native New Hampshire.

To address Northern New England’s critical shortage of dental professionals, the insurer **Northeast Delta Dental** partnered with Tufts School of Dental Medicine in 2015 to establish an endowed scholarship for third- and fourth-year students from—and planning to practice in—Maine, New Hampshire, and Vermont. A recent \$1 million gift from Northeast Delta Dental brings the fund to \$2.25 million.

“It was eye-opening to see such need so close to where I’m from,” said scholarship recipient Mullaney, D19, who recently completed her general practice residency at the University of Vermont Medical Center and plans to practice public health dentistry in New Hampshire.

“Gifts like the one from Northeast Delta Dental enable students to serve their home communities,” Dean Nadeem Karimbux said.

The scholarship has already brought many outstanding dentists to North Country states, noted Northeast Delta Dental President and CEO Tom Raffio. “When scholarship recipients settle in Northeast Delta Dental territory and become a part of our dental network,” he said, “you have no idea of the huge smile on my face.”

37th Annual Wide Open Golf and Tennis Tournament honors the **Wolkowicz Family**

One hundred thirty alumni and friends gathered on August 26, 2019, for a fun-filled day to support the Tufts University Dental Alumni Association's Student Loan Fund. The tournament was held at the Brae Burn Country Club in West Newton, Mass., and honored the late John S. Wolkowicz, D55, D91P, D97P, DG95P, DG00P, and his family.

Thanks to the generosity of alumni and corporate sponsors, **\$43,967** in tournament proceeds was donated to the fund, which serves as an essential resource for dental students in need.

Pictured from left are Dean Karimbux, Derek Wolkowicz, D97, DG00, Drew Wolkowicz, Brooke Wolkowicz, and Candace Wolkowicz, D98.

Tufts Dental Fund/ Emergency Financial Aid **Relief for Students**

Thanks to caring donors, the dental school was able to provide emergency financial assistance to dental students managing demanding academic and clinical requirements and struggling with financial circumstances. Examples of emergency financial circumstances include food and/or housing insecurity, travel costs associated with a personal or family crisis, or unusually high medical expenses.

A Gift from Nobel Biocare Supports Outstanding Training

Tufts is pleased to announce an expanded collaboration with Nobel Biocare USA, an industry leader in implant dentistry. With Nobel's generous support, which includes a **\$125,000** cash donation and in-kind contributions of **\$1,625,000**, Tufts will introduce cutting-edge technology and digitally-oriented implant dentistry to further research, education, and training, and provide excellent patient care.

Faculty and Research at Tufts University School of Dental Medicine

ADDY ALT-HOLLAND, PHD, MSC, BSC, associate professor, Department of Endodontics, Tufts University School of Dental Medicine, is studying human skin and oral cancers. She

utilizes cell cultures, bioengineered tissue models of cancer, and human clinical research studies to identify new molecular targets for novel cancer therapies and develop diagnostic tools that will allow for early diagnosis, monitor disease progression, and guide patient care.

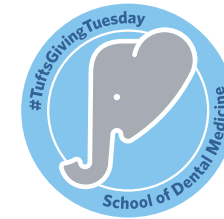

MABI SINGH, DMD, MS, D107, DG00, associate professor, Division of Oral Medicine, Tufts University School of Dental Medicine, and a member of the Scientific Review

Committee, conducts research to treat conditions and overcome risks in medically complex patients with salivary hypofunction induced by medications, radiotherapy, autoimmune diseases, and other causes. Dr. Singh is also involved in multiple phase I-IV FDA clinical trials.

DRISS ZOUKHRI, PHD, MS, professor, Department of Comprehensive Care and director of the Dry Eye and Dry Mouth Research Laboratory at Tufts University School of

Dental Medicine, is studying Sjögren's syndrome, an autoimmune disease that affects more than four million Americans—mostly women—and causes extreme dryness of the mouth and eyes. To date, there is no cure for this disease.

“My interview was the moment I fell in love with Tufts. The best highlight of my experience so far, second to the White Coat Ceremony and reading the oath of the dental student, was realizing the family and support system I had gained here, and I am forever grateful.”

— Edwin Scott, D23

Repaying the gift of a wonderful career

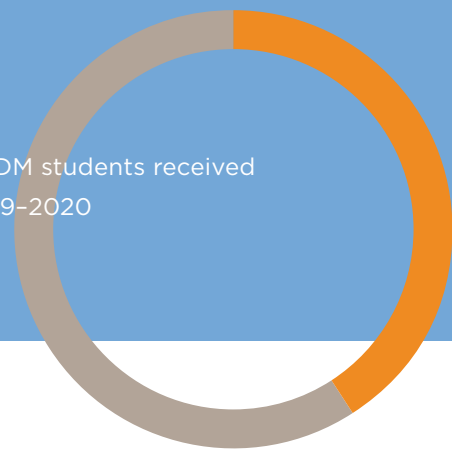

“I wanted to be a dentist from the time I was 10 years old,” says Martin Sachs, A54, D56, a double Jumbo who has returned **the gift of a Tufts education** in numerous contributions to the university—including the Dr. Martin P. Sachs Scholarship Fund for dental students.

Martin Sachs fondly remembers his days on the Hill and in dental school. “The education was superior, both undergraduate and graduate,” he says. After a two-year stint in the Navy, he settled in Westport, Connecticut, and ran a successful practice for almost 60 years.

Through his philanthropy, Dr. Sachs says, he hopes students “enjoy the benefits of a great education and go on to serve the community the way I tried to—by being honest and fair with everyone.”

42 percent of TUSDM students received scholarships in 2019–2020

Martin P. Sachs, A54, D56

Anshelle Tucker, D22, Austin Jacob, D22, and Romina Aznavaleh, D20, in 2018.

Inaugural Volunteer Summit

Leadership volunteers joined Dean Karimbux on November 16, 2019, for the dental school's inaugural Volunteer Summit. A daylong conference, the summit serves to celebrate and strengthen our volunteer community, which helps to advance TUSDM's highest aspirations. Participants included members of TUSDM's Board of Advisors, *Brighter World* Campaign Committee, Tufts University Dental Alumni Association Board, M Club Executive Committee, and reunion co-chairs.

Participants at TUSDM's inaugural Volunteer Summit on November 16, 2019.

D2020 Class Gift Celebrates Unity and Perseverance in an Unusual Year

The senior class gift is a cherished tradition in the Tufts dental family, and this year, with so many changes due to the COVID-19 pandemic, the Class of 2020 will carry on this tradition in a particularly fitting way. Their gift takes the form of the D2020 Senior Prize Endowed Fund—established in honor of **Lisha Shakya, D20**, who showed perseverance and bravery while battling a health crisis. This annual prize will honor seniors who demonstrate outstanding community service and/or determination in the face of adversity. Class President Yannis Koroneos remarked that his class will be “innovators in our field, first on the scene post-pandemic, [...] and leaders who mark the beginning of a new era in patient care.” The Class of 2020's dedication to dental medicine, and to one another, is a legacy to celebrate.

“With fellow student volunteers and faculty mentors we started the **Service With A Smile program** at TUSDM to provide oral health education sessions, health screening, [and] oral hygiene supplies to veterans. I hope to start chapters of the program across the nation to help give access to care for veterans.”

— Keith Nguyen, D20, Captain, U.S. Army Reserve

Yannis Koroneos, D20, class president

Lobby Renovation Project

Your impact is felt every day during these extraordinary times.

We are grateful to the following donors (as of June 30, 2020) for their support to help us build a spacious new lobby. The dental school was able to slowly open its 15-floor building at One Kneeland Street in June to welcome back our community. The addition of a fifth elevator has completed the construction project's final phase. [Thank you.](#)

Tufts Dental Fund

The Tufts Dental Fund is the annual fund to which alumni, parents, faculty, staff, friends, and students make gifts for current use. Gifts made to the Dental Fund touch all aspects of the dental school, including student academic programs and financial aid, faculty development, technology and clinical enhancements, facilities maintenance, and research efforts.

The collective generosity of donors led the 2019–2020 Dental Fund to an achievement of \$1,141,458.

Dean's Inner Circle

The Dean's Inner Circle is the premier giving level within the Dental M Club, the Tufts Dental Fund's leadership giving society. Because these gifts grow each year, they are especially helpful in keeping pace with the rising costs of education.

The Dean's Inner Circle three-year membership program, founded in fall 2007, was introduced to create a new, preferred level of annual giving while securing a strong base of support upon which the school can rely in the coming years. Members of this program have the satisfaction of knowing they are lead supporters of the school, and they are not solicited for the Tufts Dental Fund for the duration of their pledge commitment. We are proud to recognize members of the Dean's Inner Circle three-year program with an asterisk (*) following their names.

We also would like to especially acknowledge the donors who gave at the President's Circle, Society of Tufts Fellows, and Dean's Leadership Group levels, commitments that often exceed the Dean's Inner Circle level for these individuals.

DEAN'S INNER CIRCLE

Esther M. Wilkins, D49, DG66 (7 gifts)

PERMANENT AND ENDOWED FUNDS

Endowment funds support activities in perpetuity. Newly established endowment funds are in blue italics.

Departmental

Dr. G. Robert and Mary A. Carvelli Implant Center Endowed Fund
Delta Dental of Massachusetts Endowment in Public Health and Community Service
Dr. Ralph W. Galen, DG52, Endowment for Orthodontics
Dr. Irving Glickman, D38, Memorial Endowment Fund
Drs. George E. White and Anthi Tsamtsouris Endowment Fund in Pediatric Dentistry
Zahner Trust Endowed Fund

Facility

Becker Alumni Center Endowment Fund
Dental Library Fund
Dr. J. Murray Gavel Center for Restorative Dental Research Endowed Fund
General Endodontics Fund
Dr. Everett Shapiro, DG49, Education Library
Second Century Fund

Faculty

Dr. James F. Kane and Family Faculty Fund
Dr. Gino Passamonti, D58, Postgraduate Prosthodontics Teaching Fellowship
Dr. Clarence A. Pettengill, D1903, Research Fund
Dr. Richard J. Sorbera, DG65, Endowed Faculty Development Fund in Oral and Maxillofacial Surgery
Dean Huw F. Thomas Endowed Faculty Development Fund in Interprofessional Education
Daniel E. Ziskin Memorial Research Fund

Innovative Education

150th Anniversary Impact Fund

Lectureships

Dr. Basil Bibby, D39, Lectureship
Dr. Waldemar Brehm Continuing Education Lectureship of the Early Treatment of Malocclusion in Pediatric Dentistry
Dr. Herbert I. Margolis Lectures on Orthodontics
Sarah Umeko Qureshi Memorial Endowed Lectureship Fund in Forensic Dentistry and the Forensic Sciences
