

Dear Reunion Alumni,

As COVID-19 continues to spread across the globe, the number of cases has increased domestically, and Massachusetts has entered a state of emergency. Tufts has taken several steps to help limit the spread of the coronavirus. President Monaco has made the decision that all Tufts events are canceled through the end of April due to the coronavirus, this unfortunately includes Reunion Weekend.

The president went on to say that as an institution committed to civic life, we must do our part to contain the spread of COVID-19, not only among our own community and campuses, but also among those with whom we come into contact externally.

We know your reunion only comes around every five years and so many of you were looking forward to seeing old friends and swapping stories. As you can imagine, we hope we can reschedule, but at this time we are unable to determine if that is an option. We will be monitoring the situation closely and will keep you informed as we learn more about this ever-changing situation.

Everyone who registered for reunion will be reimbursed. Please be patient as we work through the system to make sure this is done effectively. **Please remember to cancel your hotel reservation.**

Thank you for your patience. We will be in touch when we have news. If you have any questions, please contact our Alumni Relations office at 617-636-6772 or bridget.kent@tufts.edu

Warm regards,

Betty Ann Kearney
Sr. Director, Development & Alumni Relations
